A couple of years back you very kindly entrusted us with a supply of your form "Confidential Record Sheet - Division of Personnel" so that the original reports and the record sheet could be handled together. This procedure has been a help to us, and we are now out of the printed forms. Would greatly appreciate a new supply.

Thanks so much.

Report to Personnel Division
National Council, B.S.A.
New Brunswick, New Jersey

On Friday, March 1, 1968, I received a call from Mrs. [REDACTED] of [REDACTED] Portland, Oregon, concerning a meeting of young men who were in Sea Scout Ship 684 or who had recently left the ship. She overheard them discussing how they were going to use the nude pictures of the Skipper, (Brian Gagnier) and a young man who used to be in the ship to blackmail him into quitting as Skipper. She pulled her boy out of the ship because Mr. Gagnier was always inviting individual boys to his apartment and wanting them to undress and be comfortable.

I contacted the fathers of the boys who were at the meeting and arranged a meeting at the Scout Service Center on March 5, 1968. The following young men registered in Sea Scout Ship 684 were present:

[REDACTED] and his father [REDACTED], Portland
[REDACTED] and his father [REDACTED], Portland
[REDACTED], Portland. Father not present.

It was brought out at the meeting that many and numerous events had taken place with members of the ship. Many have recently left the ship because of the Skipper's (Brian Gagnier's) actions. [REDACTED] turned over to me the pictures that were referred to earlier by Mrs. [REDACTED].

With this evidence I met with Mr. John Binford, Institutional Representative of the ship, sponsored by Hollywood Lions Club, and informed him of the facts. He agreed that the Skipper must be asked to resign immediately. They want to continue sponsoring the ship and will meet and select a new Skipper.

On Thursday morning I called Mr. Gagnier and asked if he could meet me at the Scout office. He could not, so I went to his place of employment and informed him of my meeting with the parents of Ship 684. He agreed that he must resign, was sorry this ever happened and would seek psychiatric help. Attached is the confidential record sheet.
